MEMORANDUM FOR:	Chairman, Critical Intelligence Problems Committee	STAT			
FROM:	Director, DDS&T Career Development Course	STAT			
SUBJECT:	Appreciation for Career Development Course Briefing				
I wish to thank you for the very informative briefing on the					
functions of the new Critical Intelligence Problems Committee. You					
gave a very good explanation of what you hope the new group will					
accomplish and how it plans to go about doing that. Equally as					
informative and entertaining were your comments on the evolution of					
the IC Staff and Congressional oversight. I thank you for your					
continued support of the Career Development Course, and I hope that					
you will accept the invitation to speak again in the future.
